"PLAYGROUND", Sears-Peyton, 210 11th Avenue, at 25th Street, (212) 966-7469 (through June 29). Six painters enthralled by paint. Sarah Hinckley produces banded canvases in seductive colors; Mary McDonnell creates layered, internally glowing squares; Serena Bocchino animates puddles and dribbles; Nicole Been inscribes loose nets into thick paint; Paul Henry Ramirez eroticizes spots, stripes and stains; **and, best of all, Julie Evans makes compressed compositions of daisy wheels, spirals, dots and gaseous spaces that are as sensuous as they are cosmic.
